Amount consumed per trip	0,80 €	1,60 €	1,20 €	2,00 €
Free of charge threshold*	35,00 €		53,00 €	

\* Consumption threshold, which entitles its holder to travel free of charge until the beginning of the following calendar month for the number of zones whose consumption threshold has been exceeded.

There are special conditions for members of large families and single-parent families, children under 10 years of age and persons accompanying persons with severe disabilities.

In order to purchase a transport ticket, it is necessary to have a Mòbilis or SUMA card on which to charge it. Zone + consists exclusively of the Airport stop. For a transport ticket to be considered valid, it must include all the zones travelled through during the journey. For this purpose, we remind you that the stops located in the overlapping area of zone A and B are considered to be located, at all times, in the area that is most favourable to the user according to the route to be taken. It is mandatory to validate your ticket before boarding the train or tram.

The price of each ticket includes VAT and SOV (Obligatory Traveller's Insurance).

The fine for travelling without a ticket is 100 €.

Zone + consists exclusively of the Airport stop.
